

Prayer for Gratitude and Acceptance

Through the Power of God anchored in my heart and within the Hearts of ALL Humanity, I invoke the Divine Flames of Gratitude and Acceptance. Precious Sacred Fire, blaze in, through and around every electron of my Being. Flood my consciousness with Gratitude for and the acceptance of God's limitless Flow of Abundance. Lift me into the Realms of Truth, and Bless me with the clear inner knowing that the God Supply of all good things is my Divine Birthright.

I relinquish now, in the Name of God, all of the power I have ever given to lack and limitation through my thoughts, words, actions or feelings.

I relinquish now, in the Name of God, all of the beliefs I have ever had that are based in poverty consciousness.

In deep Humility and Gratitude, I consecrate and dedicate my very life to be the open door through which God's Limitless Abundance will flow to Bless me, my family, friends, co-workers and ALL humanity.

As I think, speak, feel and act, the presence of God within me is expanding God's gift of prosperity to all life evolving on earth.

I AM an awakened light being! I Gratefully accept God's Gift of Prosperity and Limitless Abundance!

And so it is!

I AM! I AM! I AM!
